WORGAN GAMES

Our journey of growth so far

Worgan Games is a UK-based, family-run, indie game publisher with a passion for creating easy to learn and seriously addictive games. We make high quality, family friendly card games that stand out on shelves.

Mar 2024

Four siblings with a lifelong love of games come together to create **Worgan Games**.

Oct 2024

We hit our goal of **releasing six games in our first (half) year**. Sales begin to climb as we head toward Christmas.

Christmas 2024

We sold over **20,000 units** between **Guess That Noise** and **Sneaky Goose** on Amazon UK in December (less than 10 weeks after their release!).

Jan 2025

We hit the ground running, switching to a new supplier (the largest in the world!) to deliver even **higher quality** products at a **larger scale**.

Mar 2025

We doubled down on what works: expanding the Guess That... series with **3 new titles** and launching 5 translated versions of our games in **France**, and **Germany**.

May 2025

We set our sights on **new sales channels**, signed up to exhibit at the Autumn Fair and began preparing to take orders from **retailers**.

Q4 and 2026

Expect exciting expansions and brand-new IPs. Our focus remains on **reach, quality**, and building a **long-term brand presence**.

The Lineup

SNEAKY GOOSE

A memory-based strategy game where quick thinking is key to outsmarting opponents. Ideal for kids, teens, and adults.

**PAGE 4**

SPOOKY GOOSE

The same great addictive, memory-based strategy game now cloaked in haunting new artwork.

**PAGE 5**

GUESS THAT NOISE

Mimic noises without words or gestures while friends race to guess correctly. The player with the most points wins.

**PAGE 6**

GUESS THAT NOISE 2

Mimic 165 brand new noises without words or gestures. More noise-related fun for Guess That Noise fans.

**PAGE 7**

GUESS THAT ACTION

Expanding the "Guess That" series. Players compete by performing ridiculous actions. The more challenging the action, the higher the points.

**PAGE 8**

GUESS THAT DOODLE

Expanding the "Guess That" series even further. Players compete by doodling random scenarios in a race against time.

**PAGE 9**

PUNCHY KICKY

An action-packed strategy card game where players attack opponents, defend attacks and finish foes off.

**PAGE 10**

CURSED TIDES

A pirate-themed strategy game where players assemble fleets and steal treasure.

2 Player Games for Kids is a fun twist on a traditional deck of cards, specially designed to capture children's attention. Instead of suits we have colours and instead of numbers, we have fun characters!

Alongside the colourful deck, you'll find simple, kid-friendly rules for classic card games, carefully chosen and adapted so children can enjoy playing without the complexity.

Perfect for family time, travel, or quick play sessions, it's a great way to introduce kids to card games in a way that feels exciting and easy to understand.
